### TEACHING – LEARNING ACTIVITIES

- **Activation**

- Show some flashcards about adjective for people appearance (brown hair, black hair, green eyes, blue eyes, big, small, tall, short, curly, straight, long) and elicit the vocabulary. Say the words and get students to repeat them.
- Play the game Who is he/she? Explain students that they have to guess who the teacher is describing. Describe some students' appearance, for example: she is tall, she has long hair, she has straight hair, she has black hair, she has brown eyes, she has a small mouth. The group has to say his/her name.
- Tell students they are going to hear an audio resource that will encourage them to practice vocabulary and pronunciation. *(audio resource)*

- **Construction**

- Ask students to draw her/ his best friend in a piece of paper and encourage them to answer the question: "What does your best friend look like?". Ask students to say their best friend's names and her/ his appearance description.
- Pair students up in the classroom. Encourage them to describe their partners using vocabulary learned in class. Ask the pairs to switch roles and repeat the process.

- **Application**

- Ask students to bring two members of their family photos and describe what they are doing and what he/ she looks like.
- Ask students to present the descriptions in front of the class.
